DOC148942 TDST Smoove Origin 2-4 RTS

Designation	Smoove Origin 2-4 RTS
Reference	1800223/1800295
Range	Smoove Origin RTS

FUNCTIONS

- 1w control
- Command: Up, My, Down
- Adaptation with Standard (49075) DIN 50x50
- Composition: 1 Module, 1 frame & 1 Mounting plate

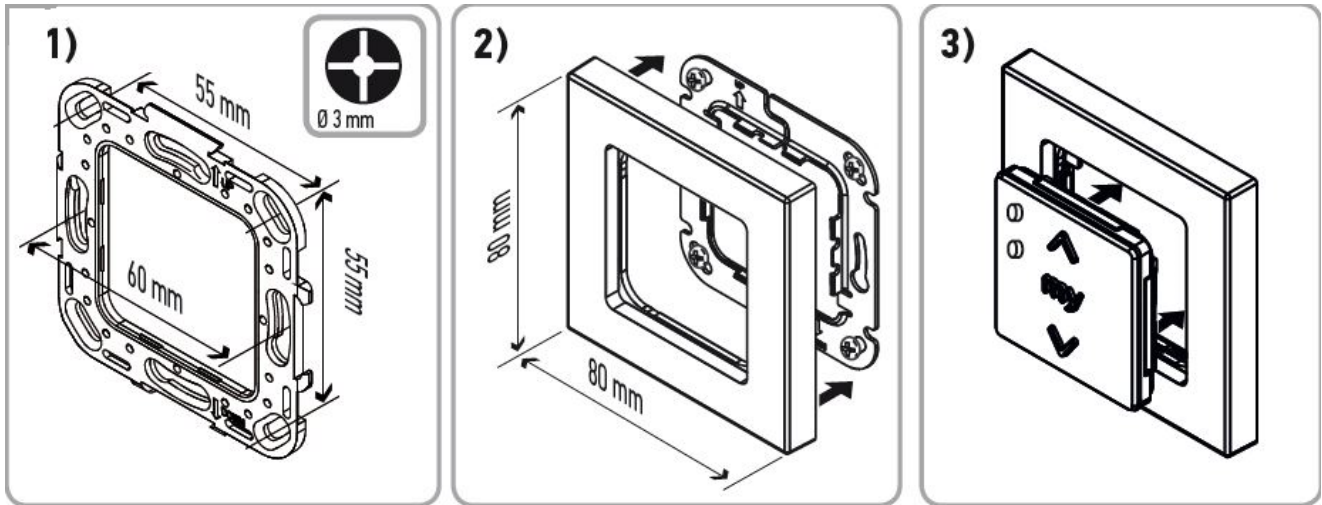

TECHNICAL SPECIFICATIONS

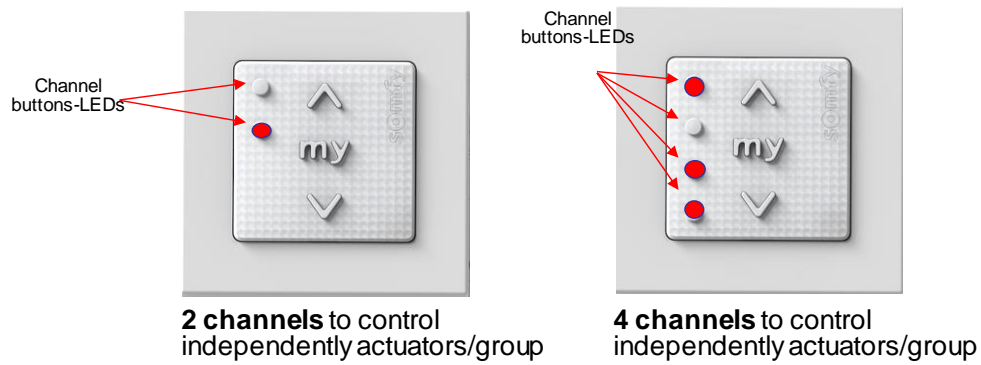

Box	Material	ABS & PC
	Color	Pure
	Size	Module 50x50x10 mm Frame 80x80x10 mm
Battery	Voltage	3V
	Type	CR 2430
	Number	x1
Battery lifetime (at ambient temperature in typical conditions)		5 years (max 4 orders per day)
Radio frequency		433.42 MHz +/- 1 KHz
Radio range		Use guaranteed in most «floor installation» depending of the environment.
dBm		-4 dBm
Modulation Type		ASK Type A1
Protocol		RTS
Antenna		Integrated
Temperature range	Storing	-20°C / +60°C
	Working	0°C / +48°C
Weight module (including battery)		24g
Electromagnetic compatibility		EN 301489-1 EN 301489-3
Electrical safety		IEC/EN 62368-1
Protection on the health		EN 62479
Radio		EN 300220-1 EN 300220-2
